

Stories of Burkes Pass

You are warmly invited to attend the presentation of oral histories from the Burkes Pass area at

*The South Canterbury Museum, 4 Perth St, Timaru, on
Friday 17th June at 2pm,
with celebratory refreshments*

The Burkes Pass Heritage Trust commissioned Jacqui Foley, of Living Story Productions Ltd., to record the oral histories of five people who spent a significant part of their lives in the Burkes Pass area. This event is to mark the completion of stage 2 of this project and to handover the original recordings and transcripts to the museum archives for safekeeping, access by the public and for research purposes.

The event will include playing short excerpts of some of these living memories with refreshments to enjoy, giving plenty of opportunity for sharing past times and meeting up with old friends.

Bring a plate if you are able.

The Burkes Pass Heritage Trust looks forward to your company.
